March 26, 2020

Effective Monday, March 30, 2020 the Stokes County Government Center Complex will be closed to the public for walk-ins. Please call before you come. We ask that during the COVID-19 pandemic that you conduct business by phone by calling 336-593-2811 for the automated line and choose the appropriate department to speak with someone or online at www.co.stokes.nc.us if at all possible. We will be available during our regular business hours Monday-Friday from 8:30-5:00. If you must come in person please call ahead if at all possible. There will be a bell to ring for assistance at the entrance of each building to help you with any business that you must conduct in person. For your safety and health please refrain from entering the building unless instructed. These operational changes are being enacted to protect citizens and employees health and safety. This new procedure will steer visitors from county lobby areas to support social distancing, therefore helping to prevent spreading the Coronavirus.

Questions or concerns may be forwarded to the Stokes County Manager's Office during normal business hours at 336-593-2448 or by email at sshaver@co.stokes.nc.us.
